

Soliton BREW 2025

ACCOMMODATION INFO: STUDENTS' DORMITORY AT VÁVROVICE.

- The full address is: **Vávrovická 244/44, 747 07 Opava**
- The price is **350 Kč/per night**. You will have to pay upon arrival in full, in cash, and in CZK.
- Upon paying, you will get a receipt. If you want to have a text added to the receipt (so that, for instance, you can be reimbursed by your university), just hand the prepared text to the person at the reception and they will prepare a new receipt with additional text displayed.
- The reception there works non-stop.
- You also have to **fill out a form for the foreign police** and give it to the person at the reception.
- Unfortunately, the place is a bit far from the workshop's venue. Fortunately, there is a bus stop almost exactly in front of the dormitory (**Opava Vávrovice, cukrovar**), which commutes to the city center every half an hour or so. **The bus number is 216 and you should go to "Divadlo" stop**, which is quite close to the venue. It takes just 12 minutes. Inside the bus, you can pay by cash or by credit card. The price is 30 CZK.
- You will have your own room. There are common showers on each floor. Please, bring your own towel.
