EM Interactions in GR (11:30 - 12:40)

time	[id] title	presenter
11:30	[9] Innermost stable circular orbits around charged, rotating black holes	SCHROVEN, Kris
11:55	[19] Particle ionization near a weakly charged black hole	JURAEV, Bakhtinur
12:15	[42] Role of non-axisymmetry in electro-vacuum magnetospheres of compact objects	KOPACEK, Ondrej
